

2021 Winter Retreat Policies

1. **Cell Phones** – Students will be keeping their cell phones in the cabin at all times throughout the weekend. This is the policy of Expeditions Unlimited, so we will respect their rules. Parents can contact Jordan Dejno (262-960-9780) if they need to reach their student.
2. **No Pairing Off** – Students are not to be found in secluded areas in pairs. Groups of 3 are to be the minimum.
3. **No Public Displays of Affection** – Students are not to be holding hands, kissing, or performing any other type of romantic physical contact.
4. **Bullying** - We will not tolerate this behavior. Any bullying situations will be reported to parents immediately.
5. **Language/crude joking** – Parents will be made aware of any language or crude joking that takes place.
6. **Drugs** - If we find out about students using drugs during the youth retreat, parents will be made aware and told to come pick up their student from the retreat immediately.
7. **Respecting Leaders** – We expect all students to obey the youth leaders throughout the weekend. Any behavior issues will be dealt with accordingly.
